

product solution

Chromaline Direct/Indirect A Series™

Direct/Indirect A Series is a two-part stencil system consisting of formulation-matched film and emulsion. The film assures excellent print quality; the emulsion offers excellent durability.

The A Series is designed for low to mid-range mesh counts, and is well suited for general purpose printing and a medium ink deposit.

FEATURES

- Fast and easy-to-use
- Accurate, predictable stencil thickness control
- Light blue for easy registration
