# Dynamesh DYNACHEM Textile Ink Emulsion Remover

DYNACHEM Textile Ink + Emulsion Remover is an ultra-concentrated liquid that simultaneously dissolves plastisol inks and removes emulsion from screen printing mesh. It is designed to be used in a dip tank for increased time and chemical savings.

## FEATURES

- Dissolves and cleans ink, emulsion, and blockout in one step
- Odor free
- Non-flammable, making for safer use and disposal

## PURCHASING OPTIONS

### Available in

1 Quart, 1 Gallon, 5 Gallon, 55 Gallon sizes

*Contact your sales representative for additional information on our competitive pricing and volume discounts*
